

Posturepedic

COMFORT & SCIENCE HAVE ALIGNED

Quality sleep powers your day. This is the drive and reason for our commitment to sleep innovation, combining ground-breaking orthopaedic research with state-of-the-art scientific technology. The result is Sealy Posturepedic[®], a bed engineered to maintain your body's natural alignment, ensuring your absolute comfort, with support from head to toe.

DESIGNED & TESTED

For the best sleep possible, we have designed a system of technologically advanced coils, that sense your weight and respond with increasing levels of support, to maintain your body's natural alignment. You'll rest easy, knowing each coil is working effortlessly throughout the night, to keep you supported, so you can experience a deeper, more restorative sleep.

WHAT INNOVATION FEELS LIKE

Not all mattresses are created equal. Our Elevate beds are architecturally designed and engineered to meet specific orthopaedic criteria, ensuring you wake up feeling energised and ready to take on the day. Your mind and body elevated through quality and restful sleep.

POSTUREPEDIC TECHNOLOGY

SMARTEX FABRICS

Intelligent SmarTex[®] fabric draws away moisture to regulate your sleep climate.

COMFORTCORE®

Our unique new feature, SenseGel, provides superior conformance for your lower back, adding pressure relief and comfort.

ALIGN SUPPORT®

Intuitive two-stage coil system senses your weight and responds, to help align your body in it's natural position for deep, rejuvenating sleep.

Four walls of UniCased® or Unicased® XT

Posturepedic

EDGE SUPPORT

ENDURANCE BASE

Shock absorbing Duraflex[®] modules are meticulously crafted, for deeper, long lasting support.

LIFESTYLE SUPPORT

Whether you're reading, reclining or just simply relaxing, you'll experience a new level of comfort with our Elevate Flex models. Designed to support your sleep experience, with a mattress that will fully articulate on an adjustable foundation to suit your therapeutic and lifestyle needs.

Select an Endurance base and organise your bedroom with our customisable SpaceSaver[®] storage function.

BETTER SLEEP, NIGHT AFTER NIGHT

Sealy Posturepedic Elevate combines precise engineering with stunning aesthetics to enable deep, restful sleep, night after night. It's the combination of luxurious comfort layers and our exclusive Posturepedic Technology that provides your body with the comfort, support and alignment you need to fall asleep faster and stay asleep longer.
