OPTIMUM[®]

Discover the Sealy Optimum[®] sleep experience

Drift into a world of deep and uninterrupted sleep with our Sealy Optimum[®] collection - where technology meets comfort. Crafted with our exclusive SenseMaterial, this mattress conforms to your body's natural contours, for deeply rejuvenating rest.

Luxurious comfort: Our high-density premium foam cradles your body, relieving pressure and helping to ease tension from head to toe.

Peaceful nights: Advanced motion absorption minimises partner disturbance, so you experience restful sleep.

Temperature harmony: Breathable materials help regulate your sleep climate, for your sleep comfort.

Wake refreshed: Every detail is designed to help you wake up feeling truly restored.

Alpine fabric

Stay comfortable all night long, our innovative fabric treatment delivers a refreshing, cool-to-touch sensation that transforms your sleep environment. Enhanced with Smartex[®] technology, which actively wicks away moisture to help regulate your body temperature and maintain your ideal sleep climate.

Adaptable sleeping

Experience personalised comfort at every angle with our Sealy Optimum[®] mattress. Pair with our Sealy Posturematic[®] Base and experience the perfect fusion of support, innovation, and luxury. Seamlessly adjust your sleep position and indulge in total relaxation.

SenseMaterial

Crafted with an ultra-sensitive, luxuriously soft material that instantly conforms to your body's unique contours. This slow-release, high-density visco-elastic layer delivers deep, lasting comfort, cradling you throughout the night for a truly restorative sleep experience.
