

Sealy Posturepedic<sup>®</sup>  
ACCLAIM

# Comfort and science have aligned.

Inside every Sealy Posturepedic® Acclaim is a **unique support system**, a network of coils that sense and respond, working to align your body in its natural posture.

We undertake extensive raw material, component and finished product testing, in globally accredited laboratories; this provides the exact foundation for our unmatched, industry-leading product performance.

Expertly crafted, right here in New Zealand, your new Sealy Posturepedic bed is built to stand the test of time in our state-of-the-art manufacturing facilities.
